SCOPE:

This policy applies to:

2. Students' personal mobile phones [and other personal mobile devices] brought onto school premises during school hours, including recess and lunchtime.

DEFINITION:

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY:

Meadows Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Meadows Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)

Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Meadows Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Meadows Primary school are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Meadows Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Where students bring a mobile phone to school, Meadows Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Meadows Primary School students are required to hand their phones to the school administration office to be placed in secure storage.
